Page 13, paragraph 30

The paragraph should read as follows:

2. El Salvador v. Honduras

30. On 17 November 1989, Nicaragua filed an application for permission to intervene in the case concerning the Land, Island and Maritime Frontier Dispute between El Salvador and Honduras. The Court held that it was for the Chamber formed to deal with the case concerning the Land, Island and Maritime Frontier Dispute (El Salvador v. Honduras) to decide whether the application for permission to intervene under Article 62 of the Statute should be granted. The Chamber of the Court decided by its Judgment of 13 September 1990 that Nicaragua was permitted to intervene in the case with respect to the legal régime in the Gulf of Fonseca. The Chamber excluded from the object of intervention the matters of delimitation within the Gulf and the legal situation of the maritime spaces outside the Gulf. 10/
